

# AMR SOCCER DEVELOPMENT ORGANIZATION, LLC.

AMR Soccer exists to develop youth in moral character and spiritual strength through a systemized focus of keeping one's life enterprising and open to placement in an environment which maximizes development.

## Recent Success

David began training with AMR Soccer the summer before his junior year of high school. What started out as a three-week soccer academy turned into a life changing commitment to excellence.

We have shared two life altering experiences with AMR Soccer. David signed to play soccer with his top pick- Southeastern University & he accepted the Lord as his Savior!
